Allergic IgE-Positive Human Plasma Product Catalog

2ml and 10 ml Sodium Citrate Plasma Samples
Certificate of Analysis provided with each purchase

**For the best user experience,
open Catalog PDF within Microsoft Edge
to access “Search/Find on Page” capabilities.**

Please keep in mind: Our product catalog is ever evolving, with products being sold and new products being added on a regular basis. A product listed may no longer be available, and we may have a plasma sample with a similar antibody level. If you do not see a plasma sample that fits your needs, please contact us and we will research our database.

This catalog was updated on February 16, 2022.
Additional 2 ml and 10 ml sodium citrate plasma samples are available
and will be added to this catalog on a consistent basis.
